Building More in Baltimore

MACHA 2008

Program Goals and Objectives

The Mid-Atlantic College Health Association annual meeting "Building More in Baltimore" will:

- ◆ Provide opportunity to bridge the various health care disciplines in the college health environment while creating an infrastructure to share ideas and build relationships among attendees.
- ◆ Define best practices in the, physical, psychological and social context of college health with an ethical commitment to quality and provision for public health concerns.
- ◆ Promote continuing education with a multidisciplinary approach to health care and wellness initiatives.

Target Audience

This program is intended for nursing professionals, physicians, physicians assistants, health educators, student affairs staff and students working with the college student population.

Anti-Discrimination Statement

MACHA guards against discrimination on the basis of race, color, gender, religion, ancestry, national origin, sexual orientation, age or disability in its education activities. Attendees with special needs should notify Chris Rooney (chris.rooney@millersville.edu) so that appropriate provisions can be made.
