NCCHA Bylaws: NOTIFICATION TO MEMBERS:

All members will be given the chance to VOTE on the removal of the word DRAFT stamped on the current NCCHA Bylaws at the NCCHA Annual Membership Meeting held during the 2015 NCCHA Annual Conference at LaCrosse, WI on 10/29/15 during the Business Meeting.
NCCHA Conference Program Planner

At our NCCHA affiliate meeting last spring in Orlando, the President and Pres-elect brought up the prospect of hiring an NCCHA Conference Planner. This would closely model what has been done for the past 10 years for the NECHA/NYSCHA affiliates. Finding host schools has become increasingly difficult, primarily due to the burden of coordinating the event that tends to fall on the host school’s director or other representative. The conference planner position would be open to NCCHA members and the individual would also serve on the NCCHA board. While it would involve an annual salary, it would provide continuity and reliability in terms of all the logistics involved with organizing our fall conference. We will provide opportunity for further discussion and questions during the business meeting in LaCrosse, followed by a vote of approval.

Job Description

- The Conference Planner will provide strategic leadership, planning, management and evaluation of the NCCHA annual meeting.

- Coordinate communication and marketing efforts for conference.
- Coordinate event logistics to include registration and attendee tracking, presentations, and materials support, and post-evaluations.
- Oversee Call for Programs process, along with securing keynote speakers.
- Work with NCCHA treasurer regarding budget needs for planning.
- Secure vendors for the exhibit hall at the conference

Requirements for Position:

- Strong organizational skills with attention to detail and sensitive to deadlines.
- Ability to delegate responsibilities as needed
- Strong relational skills

Selection:

- This position will be posted upon approval of the NCCHA board, selection also to be made by the board.

SCHOLARSHIP WINNER!

“I wanted to take a moment to express gratitude for being awarded the Pat Fischer scholarship award! The scholarship allowed me to attend my first Annual ACHA Conference in Orlando this past May and it was a wonderful and enriching experience. As a nurse and nurse practitioner I have attended many conferences over the years, but attending ACHA was a great way to network and learn about college specific issues because we really do have a unique niche! Thank you for helping to facilitate my experience at ACHA!”
