

Call for Committee Volunteers

Dear PCCHA members:

PCCHA is seeking individuals to participate on the Grants and Research Awards Committee.

The Committee reviews proposals for grant and research funds and recommends awardees to the PCCHA Board in May.

Please consider participating in this interesting and worthwhile committee.

Your participation would entail three one-hour Zoom meetings as well as a limited amount of personal time to review applications over the active time of March through May.

Please forward an email detailing your interest to:

Jeanie Deakyne
Member at Large, PCCHA
Manager for Health Information and Front Office
University of California, Irvine
Email: jdeakyne@uci.edu
Phone: 949-824-1913

**Gain insight and
leadership skills relevant
to your area of expertise.**
