

RECRUITING FOR PCCHA BOARD POSITIONS!

Hello PCCHA Members,

Happy autumn! The PCCHA Board is currently recruiting for three vacant positions for the upcoming year: Secretary, Historian, and Student Representative. Any PCCHA member is welcome and encouraged to apply; our current board members do not all come from healthcare backgrounds. Join our team!

Descriptions of the positions:

The **Secretary** assists the President and other officers as requested. The Secretary is responsible for recording and posting the minutes of the PCCHA business meetings to the website. The Secretary is responsible for ensuring PCCHA By-Laws align with the ACHA By-Laws and recommending changes, if any, to the Executive Board for vote. They will also be responsible for publishing regular PCCHA newsletters.

The **Historian** compiles an annual online record of PCCHA events and assists the President as necessary. The Historian will play an active role in communicating the PCCHA narrative and images as requested by the Executive Board. They will also be charged with managing relevant social media accounts and updating the PCCHA website with relevant documents.

The **Student Representative** is responsible for representing the interests of college students and serves as a member of the Executive Board. The Student Representative will assist the Secretary with publishing the quarterly PCCHA newsletters and assist the Vice President with the annual conference planning.

Benefits of the positions:

- Institutional recognition
- Ability to collaborate with colleagues at other institutions
- Participate in planning of the annual PCCHA conference
- Opportunities for professional growth within the board
- Many more!

Personally, as the Student Representative for the past year, I have been a part of a welcoming group of individuals from across the western coast, ranging from Washington to Nevada to Idaho. This allowed for a collaborative effort from individuals with unique perspectives towards the common goal of promotion of health for students, which has greatly benefited my professional development. I strongly encourage members to apply and join the PCCHA Board!

Please contact PCCHA President Donna Hash at hashd@wsu.edu if you would like to learn more about the positions or are interested in serving. Please note: Secretary and Historian are each 2-year positions and Student Representative is a 1-year position.

Yours in Health,
Thaila Nuguid
