

EXECUTIVE MEMBERS FAQ:

ACHA Executive Memberships are part of an initiative to provide campus leadership with more exposure to the health and wellness issues faced by students. By being ACHA members, campus administrators will become more knowledgeable about the many ways in which health & wellness services support their institution's mission by helping students stay in school and succeed. These members must fall under one of the functional titles in the table below. If your school does not have the position, then the membership for that title will remain unfilled.

*Foundation Head	*Head of Student Affairs
*Head of Government Relations	*CFO/Human Resources Director
*Head of Institutional Research	*President/Chancellor
*Head of Public Relations	*Provost
