

SHPCCC Meeting

Date: 5/20/20

Purpose of Coalition:

According to ACHA Bylaws, Article XII, Section 1, the purposes of coalitions are as follows:

- Provide a multi-disciplinary, topic-oriented organizational mechanism with broad geographic representation for continuing education; advocacy; knowledge; standards; and professional development.
- Enhance channels of communication among members with different professional backgrounds to address common issues in college health.
- Expand Association membership recruitment and participation opportunities.

Additionally, the purpose of the SHPCC Coalition is to:

- Develop continuing education opportunities related to sexual health on college and university campuses.
- Assist in the development, revision and administration of surveys and questionnaires related to sexual health.
- Create and revise informational and educational resources, guidelines and/or best practices in the area of sexual health.
- Develop and implement strategic initiatives in the area of sexual health promotion and clinical care.
- Serve as expert consultants and a resource for questions about sexual and reproductive health in college students.

From the Student/Consumer Board:

Hello! The ACHA Student/Consumer board would like to invite everyone to share resources with us that we will promote on our public shared calendar and social media! You can find us on IG or Pinterest @ACHAstudents and you can enter in information in lieu of an email with our outreach forms, which is featured on our google web page> <https://bit.ly/2AyN2Fx>. We are currently looking to nominate students for our upcoming student elections (date TBD), contact us via form/email/social media if you would like to nominate a student for consideration on the Student/Consumer board.
