 - Another webinar coming in November 13 12pm-1pm PST/3pm-4pm EST
 - If anyone is interested in sharing some case studies/best practices on sexual health promotion during COVID and would like to participate/speak during the webinar, let us know!
 - Blake Flaughter, SHPCCC chair: bflaughter@ucdavis.edu
- Questions for discussion
 - How are you addressing STI/HIV screening in the COVID era?
 - Free urine screening in the student union in partnership with the community health department; free gift cards to Target for getting tested for chlamydia and gonorrhea
 - Are you doing anything new and/or innovative this fall to support students' sexual health?
 - Jordan at James Madison said that JMU started a new mail-delivery service for condom distribution. She provided their [online order form](#) as an example.
 - Virtual sexpert panel was well attended
 - Allowed for anonymous question submissions sent to just the host and not the other participants
 - "Sex Ed for the College Bed"--plan to do the panel every month
 - Had some objectives: made sure to cover STI testing during COVID, masturbation
 - Created a wellness podcast for students
 - Did 1 episode on STI testing
 - Doing another episode on "Sexual Citizens"--comprehensive sex education and sexual assault
 - Social media ideas?
 - How can the Coalition support you in your work?
- Next meeting: October 21, 8am-9am PST/11am-12pm EST
