Q6T - Travel Medicine

Q7

7) Over the past several years more skills based presentations have been offered during the Annual Meeting as Pre-conference Workshops. Examples include: holistic trans health care, achieving accreditation, sleep disorders, musculoskeletal exam refresher, motivational interviewing and boot camp for new directors. Please provide suggestions of skills/topics which you would like to see offered in this workshop format during future Annual Meetings:

LARC workshop - Nexplanon and IUD insertion Abscess management - I&D, packing, wound management

Nexplanon insertion/removal Gender diversity/hormone replacement achieving accreditation

MSK exam large joints lends well to this format.

Boot camp for new directors, continued AVC round up/networking/programming geared to

n/r

motivational interviewing techniques

Boot camp for new directors

Q8

8) What is the one thing that the Program Planning Committee could do to improve future ACHA Annual Meetings?

Continue to offer a virtual option. There are budgetary challenges or just timing issues that make attending in person impossible.

n/r

Better strategies for Zoom visits.

Q9 - 9) Which ways of networking with clinical medicine colleagues would most interest you? (Select no more than three choices) - Selected Choice

Field	Choice Count
