Nationwide's student health insurance offers multiple plan options and customized coverage to approximately 100,000 students across the United States. We partner with best-in-class administrators of enrollment services and claims processing to provide benefits that include:

- Accident and sickness coverage
- Accident-only coverage
- Study abroad
- Stop loss insurance – which pays for student bills after they've met a pre-determined deductible, protecting your profit margins and bottom line

No matter how you slice it – Student health insurance from Nationwide is pretty sweet.
