WHAT NETWORKING OPPORTUNITIES DO YOU/ WOULD YOU FIND USEFUL?

WHAT IS ONE THING THE APC SECTION COULD DO TO IMPROVE YOUR EXPERIENCE IN THE UPCOMING YEAR?

- Expand participation/member engagement
- More people interested in leadership
- Provide opportunities to meet with each other (via Zoom) throughout the year (every 2 months); putting names with faces
- Create a platform/list to identify APCs in ACHA with different expertises to consult/communicate with
- Reach out to younger DNPs to invite collaboration
- Representation of PA-C on board
- Improve awareness of the section (what it is, what it does, what resources are available)
- Eliminate redundancies with other sections

WHAT IS ONE THING THE APC SECTION COULD DO TO IMPROVE YOUR EXPERIENCE IN THE UPCOMING YEAR?

- Webinars/opportunities for CE to keep current on evidence-based practices for common college health issues throughout the year
- Webinars offering pharm CE
- Opportunities for free educational webinars
- Guideline development
- Forum Q&A
- Lower cost/more affordable conference option
- Statement to support travel to conference
