

This committee works with the ACHA staff to plan high quality Annual Meetings and training for all incoming program planners.

Please note: ACHA Regular Individual and Student members may be appointed by the ACHA President to Board Advisory Committees and Ad Hoc Committees (usually Task Forces) unless otherwise specified in the ACHA Bylaws. Sustaining members may not be appointed to these committees.

Committee and task force communities in ACHA Connect are restricted to only those members appointed to the committee or task force.
