ACHF Kathy Mac Scholar Funding Opportunity - Guidelines

Sponsored by the American College Health Foundation Kathy Mac Scholar Fund

https://www.acha.org/ACHF

The amount of funding to be made available to fund a nurse to attend the ACHA annual meeting will be determined annually by the ACHF Board based upon available fund earnings. Funding is to be used exclusively for travel expenses to attend ACHA annual meetings. Final funding decisions are made by the ACHF Board of Directors.

Guidelines:

- Funding will be open to nurses and nurse practitioners who have never had an opportunity to attend an ACHA annual meeting.
- Eligible applicants will be nurses who are either Individual or an RMI of a Member Institution.
- Funding will cover a **portion** (50%) of travel/hotel costs and meeting registration fees. A fixed amount will be awarded, which will be determined by the ACHF Board of Directors. Expenses for meals will not be covered. Applicants are expected to share a hotel room with a meeting attendee.
- The individual will be responsible for any remaining travel expenses not covered by ACHF funding and will be required to submit proof of the availability of these funds either from the employing institution or personally will be required.
- The selection process will be competitive and similar to the other ACHF monetary offerings.
- Interested individuals will complete the application form below, that asks why the individual wants to attend the annual meeting, what they hope to gain from attending, how they will pay for the balance of their travel expenses and what the individual hopes to accomplish on their campus or in their health center as a result of attending the meeting. Applicants will submit a detailed travel expense budget with the application form.
- Applications will be judged on scholarly effort, personal value and expected outcomes.
- Applicants will obtain approval from the student health & well-being center authorizing director who will be required to sign the application form. The director or supervisor's signature will also document that their institution is not capable of providing adequate funds for travel and that the nurse's ability to attend the ACHA meeting is dependent on ACHF funding (plus matching funds from other sources to cover total expenses, which may include the institution).
- Funding will be issued to the award recipient upon proof of receipts of expenses. Request for funding can be made when expenses are incurred. Example: tickets for travel can be reimbursed ahead of the meeting if submitted to the ACHF office.

Winner(s) will be required to:

- Make a brief presentation to the ACHF Board during their annual business meeting and attend the appropriate section meeting. Both are held during the ACHA annual meeting.
- Provide a written evaluation of the winner's annual meeting experience that could be published in Action, on the ACHF webpage or in other publications (due before July 31).

• Recipients will be expected to become involved in a health center project or one on their campus following the meeting.
