Too busy during the pandemic

Burned out

unable to schedule around responsibilities. Some staff attended and shared.

No other in person staff

I was on summer break and have family obligations

could not participate this year

I wasn't available

I was needed at the college

COVID, timing

we were not attending trainings at that time

not contracted in the summer

I am the sole provider for the the clinic and cannot take time away

I was unaware in time to register

We are a 3 term university and the conference was during our 10th week when I am very busy. I tried to attend but couldn't make time

was very new to the position and did not believe i could take the time

Extremely busy year - no time.

scheduling conflict

Timing and the pandemic

other responsibilities due to the pandemic

Q11 - Are you aware that several regional affiliates provide financial scholarships to attend meetings?
