

*Stronger Together: Fortitude in the Face of Change*

# **HBCU Coalition Health Summit 2026**

## **Call for Proposals**

***March 26th-27th, 2026***

# Purpose

The summit will bring together student health leaders, faculty, clinicians, researchers, and partners dedicated to improving health outcomes and strengthening campus wellness ecosystems. Through collaboration and knowledge-sharing, we aim to highlight best practices, emerging research, and sustainable strategies that empower HBCUs to thrive amid change.

# Session Types

## Plenary Sessions

Plenary sessions are designed to inspire and inform all attendees through high-level discussions and thought leadership. Proposals should address broad, forward-thinking topics such as:

- Health equity and social justice in higher education
- Innovations in student health delivery models
- The intersection of mental health, belonging, and academic success
- The role of HBCUs in public health leadership and advocacy
- Insuring access amidst constant change
- Innovative funding models for health care and outreach

Format: 45–60 minutes, including Q&A.

Audience: All summit participants.

## Breakout Learning Sessions

Breakout sessions provide interactive, skills-based, or evidence-informed presentations tailored to specific audiences. Proposals should focus on practical applications, lessons learned, or replicable models. Suggested topic areas include:

- Campus Health Operations: Staffing, sustainability, and financial resilience
- Student Wellness: Addressing mental health, substance use, food insecurity, and reproductive health
- Health Education & Outreach: Peer engagement, innovative programming, and digital strategies
- Research & Data: HBCU-specific health trends, outcomes, and evidence-based interventions
- Leadership & Change Management: Building capacity, resilience, and institutional alignment amid shifting priorities

Format: 60 minutes (including discussion or activity).

Preferred Presentation Styles: Panel discussions, case studies, workshops, or interactive presentations.

# **Proposal Requirements**

- 01** Session Title
- 02** Presenter(s) Name, Title, and Institution
- 03** Session Type (Plenary or Breakout)
- 04** Abstract (250–300 words) – Describe the focus, relevance to the theme, and intended outcomes
- 05** Learning Objectives (3–5 measurable goals)
- 06** Target Audience (students, clinicians, administrators, researchers, etc.)
- 07** AV/Technology Needs

---

# **Evaluation Criteria**

**Proposals will be reviewed**

- Relevance to the summit theme and HBCU health priorities
- Clarity of objectives and outcomes
- Evidence of innovation, collaboration, or practical application
- Potential impact on student health and wellness initiatives

---
