

NATIONAL COLLEGE HEALTH ASSESSMENT

Note: This PDF is intended to be used ONLY as a WORKSHEET. Survey responses must be submitted in Qualtrics using the link provided to you in the NCHA closing instructions email.

American College Health Association National College Health Assessment ACHA-NCHA Institution of Higher Education Demographic Survey

Data from all participating institutions are aggregated for the comparative studies by various types of institutional characteristics. For that purpose, please furnish the data requested below. Because this form is used to control the processing of questionnaires, survey responses cannot be returned until this information is complete. In no instance will your institution be singled out for comparison with others in the aggregated analysis.

MOST QUESTIONS REQUIRE A RESPONSE. YOU WILL RECEIVE A MESSAGE REQUESTING YOU TO "PLEASE ANSWER THIS QUESTION" IF A REQUIRED QUESTION IS LEFT BLANK.

Section 2. Survey Characteristics

| Pur | pose of survey | | | | | | | | |
|------|---|--|--|--|--|--|--|--|--|
| 0 | Pre-test (e.g., before educational program or campus-wide intervention) | | | | | | | | |
| 0 | O Post-test (e.g., after educational program or campus-wide intervention) | | | | | | | | |
| 0 | O General assessment of student beliefs, behaviors, and experiences | | | | | | | | |
| 0 | Other (please specify) | | | | | | | | |
| | e Administered se enter survey start and end dates in mm/dd/yyyy format. | | | | | | | | |
| Surv | rey Start Date | | | | | | | | |
| Surv | vey End Date | | | | | | | | |
| Inc | entives | | | | | | | | |
| 0 | Students who completed the ACHA-NCHA were entered into a random drawing for an incentive (please specify incentive) | | | | | | | | |
| 0 | All students who completed the ACHA-NCHA received an incentive (please specify incentive) | | | | | | | | |
| 0 | I did not offer students who completed the ACHA-NCHA an incentive for their participation | | | | | | | | |
| Plea | ase specify the total cash value of the incentives you offered | | | | | | | | |
| | se enter a whole number. Do not use any symbols or decimals. For example, if the total cash value of your ntives was \$3,500 please enter 3500 in the box below | | | | | | | | |
| Tota | al cash value | | | | | | | | |

Section 2B: Online/Web-based Survey Characteristics

Sampling Procedures

| 0 | E-mailed survey to all students at institution |
|---|---|
| 0 | E-mailed survey to all students in a particular subgroup (e.g, commuters, undergraduates, graduates) (please specify) |
| 0 | E-mailed survey to random selection of students at institution |
| 0 | E-mailed survey to random selection of students in a particular subgroup (e.g, commuters, graduates) (please specify) |
| 0 | E-mailed survey to a non-random selection of students (e.g., students who participated in a program) (please specify) |
| 0 | Convenience sample (e.g., posting survey URL on institution website or on posters)(please specify) |
| 0 | Other (please specify) |

Section 3. Data Agreement and Signature

Thank you for completing the above information and for helping us better use the ACHA-NCHA survey data in developing normative information for a variety of variables.

The ACHA-NCHA is being used across the nation to assess student health risks, beliefs, behaviors, and consequences. Each participating institution of higher education (IHE) receives a copy of its data file and reports for the purposes of analysis, research, and program planning, as determined and permitted by your IRB. Additionally, each participating institution receives an aggregate report with data from all IHEs that participated in the same survey period. The creation of this large national data file and aggregate report allows you to compare your students to a national sample. It also provides the opportunity for a greater understanding of student health, what works to reduce student health risks and consequences, and what changes can be brought about over time. In light of this opportunity, we are asking your permission to analyze, report on, and use the data collected from your students to further both our understanding of student health needs identified by the ACHA-NCHA and the ability of IHEs to meet these needs.

The ACHA College Health & Well-being Data Hub (<u>Data Hub</u>) is a powerful data visualization tool utilizing Power BI. Campus-specific ACHA-NCHA data, in addition to the deidentified large national data file is available to all institutional member schools that complete the annual Institutional Profile Survey, or IPS. Access to your campus-specific ACHA-NCHA data via Data Hub is managed by your ACHA Representative of the Member Institution (RMI). Please contact your RMI to secure access to your ACHA-NCHA and IPS data via Data Hub.

By typing your name below, I hereby agree to the following statement:

"I, as the ACHA-NCHA program representative at my institution, give the American College Health
Association permission to analyze, report on, and otherwise use the aggregate data. I understand that all
information in the aggregate data is protected and that the identity of my institution and the students
who complete the ACHA-NCHA will remain confidential at all times."

| Type | your | name | below | indicating | you | agree | with | the | data | agreement | statements |
|------|------|------|-------|------------|-----|-------|------|-----|------|-----------|------------|
| | | | | | | | | | | | |
| | | | | | | | | | | | |

Thank you for taking the time to complete this survey.
